**Subject: AN OFFICIAL SUPPORT FOR
THE ASEAN ENERGY BUSINESS FORUM 2019**

Dear Industry Colleague,

The Ministry of Energy of Thailand has the honour to host the annual ASEAN Energy Business Forum (AEBF) as the ASEAN Chairmanship for 2019, taking place in Bangkok during 2 – 5th September 2019 alongside the 37th ASEAN Ministers on Energy Meeting (37th AMEM). These events come together under the theme "Advancing Energy Transition through Partnership and Innovation".

The forum will host discussions that focus on ASEAN's energy transition to sustainability. The government, with the support of the private sectors, can enable greater collaboration and integration between the region's energy sectors for the betterment of the ASEAN region. The single plenary commercial and policy conference programme features Ministerial-CEO dialogues, hosts over 70 speakers and 500 international delegates. Bilateral one-to-one, G2G, G2B and B2B meetings will run concurrently to the programme and multiple networking activities will also take place including a Gala Dinner and the renowned ASEAN Energy Awards.

Recognizing the great importance and vast potential of the AEBF, the Ministry of Energy of Thailand expects all regional and international stakeholders seeking to play a role in ASEAN energy future to officially support AEBF 2019 and highlight your business's position at the forefront of the region's energy transition, collaboration and integration. Your support would be extremely valuable and most appreciated. For further information on how your business can position itself best as an ally to ASEAN's sustainable energy future, please contact and collaborate with DMG Events.

Thank you in advance for your support in this matter. I am looking forward to welcoming you in September.

Yours Sincerely,

(Dr. Sarawut Kaewtathip)
Deputy Permanent Secretary of Energy
Alternate Senior Official on Energy (SOE) Leader

**Subject: MINISTRY OF ENERGY OF THAILAND
HOSTS THE ASEAN ENERGY BUSINESS FORUM 2019**

Dear Industry Colleague,

The Ministry of Energy of Thailand has the honour to host the annual ASEAN Energy Business Forum (AEBF) as the ASEAN Chairmanship for 2019, taking place in Bangkok during 2 – 5th September 2019 alongside the 37th ASEAN Ministers on Energy Meeting (37th AMEM). These events come together under the theme "Advancing Energy Transition through Partnership and Innovation".

AEBF 2019 provides a unique platform that brings together energy leaders from across energy ministries, government agencies, state owned enterprises and the private sector from across ASEAN and beyond. All 10 ASEAN ministries, 70+ industry-leading speakers and 500+ senior delegates will discuss ASEAN's collaborative efforts in increasing interconnectivity and sustainable energy future. The ASEAN region has been recognized its economic progress, further collaboration and integration will enable member states to continue their considerable past achievements.

In this occasion, the Ministry of Energy of Thailand has appointed DMG Events to deliver AEBF to a very high global standard. DMG Events has a long established track record in delivering world's leading energy events globally. I encourage you to contact the DMG Events of this important forum to explore how you can participate and together accelerate the development of the region's energy mix through open dialogue, information exchange and business opportunities.

On behalf of the Ministry of Energy of Thailand, I look forward to welcoming all participants to the ASEAN Energy Business Forum 2019 in Bangkok.

Yours Sincerely,

(Dr. Sarawut Kaewtathip)
Deputy Permanent Secretary of Energy
Alternate Senior Official on Energy (SOE) Leader
